AuSable Canoe Race Set For August 21st

Long recognized as a top canoe race in the United States and Canada, the 18th running of the 240 mile canoe marathon from Grayling to Oscoda is expected to gain more interest this year as the attraction will be held on an earlier date than previous years.

IN RECENT YEARS the race has been a two-day affair with racers stopping overnight at Mio. This year the race will return to its original marathon status and be run non-stop from its starting point at Grayling to the finish line at Oscoda.

The best two-man racing teams from the U. S. and Canada will again be competing for over \$3,000.00 in cash prizes and other awards.

The Consumers Power Company, who four years ago started assisting the AuSable River Valley Canoe Race Committee by agreeing to donate prize money, is very hopeful that the area co-sponsoring agencies will eventually be able to maintain the attraction on a self supporting basis. Consumers Power officials are pleased to have taken part in this northland event which last year was rated among the top 20 attractions in the nation by the National Association of Travel Organizations. In addition to their monetary donations the Consumers Power Company filmed the canoe race epic "Northland Classics" which has been shown before numerous groups and by many TV stations throughout the state. This support has given the race an international flavor.

MANY CANOE RACES are being held throughout the state prior to the granddaddy of them all the Championship AuSable Marathon. Among them are the Tawas River Canoe Race, Tawas Lake, June 13, and the Dimondale to Lansing Canoe Race, July 11.

Race officials state spectator interest in the race last year was the best ever and are planning for an even greater event throughout the entire AuSable River Valley through which Michigan's famed AuSable flows.

Co-sponsoring the race this year are Consumers Power Company, East Michigan Tourist Association, Michigan Canoe Racing Association, Crawford County Chamber of Commerce, Mio Chamber of Commerce and Oscoda-AuSable Townships.

Complete Annex Of District

The annexation of the Feldhauser School District to Grayling School District Number One was finalized Monday evening, June 14th, when Lacey Stephan, president and Mrs. Jack Pettyjohn treasurer of the Feldhauser District turned over their board books and records to the Grayling School Board at their regular meeting held at Grayling High School.

UPON ACCEPTING the books, Grayling board president Bill Joseph expressed the feeling of all when he said, "We are happy to have you in our district. We appreciate what the board and others in the district have done. We commend the wise and sensible way in which you have operated the district and managed the school affairs for so many years."

Mr. Stephan reported there was a balance in the general fund of the school of \$4754.56. He pointed out that part of this balance, at least, was due to the fact that the Feldhauser board members had served without pay or mileage remuneration. There had been no janitor expense as Arthur Wakeley, secretary of the board, and others in the district had done the work "gratis." He stated that it was the wish of members of the district that part of the fund balance be used to purchase library books for the elementary school.

Mrs. Pettyjohn mentioned certain articles in the school, that had been provided by the P.T.A. members, that could be of use in the combined districts. She asked that if some of the school books, fiction and otherwise, were not needed or wanted, the people of the district would like them, as many had been donated by them and had a sentimental value.

The Feldhauser school had been in continuous operation for 75 years. Everyone in the district had combined their efforts to make it the finest school possible. It was with a lump in the throat that the decision was made to give it up, but the feeling was that the move was in the best interest of the children. Mr. Joseph expressed the wish that the people of the Feldhauser district would attend the Grayling board meetings and continue to take an active interest in the affairs and children of the combined districts.

Controls Brings More Controls . . .

Numbers of people who haven't thought the matter through undoubtedly are attracted by proposed "Truth in Packaging" legislation. The name is appealing. Everyone wants the information provided on the vast variety of packaged goods to be truthful. So, it can be rationalized, it's probably a good idea to give a government bureau more authority to regulate packages.

The trouble with this kind of thinking is found in a statement by Senator Dirksen: "Controls inevitably bring more controls . . . if you control the package then you control the quantity; if you control the quantity then you must control the composition of the content, forcing Government controls over quality of product, price of product, wages to produce the product, production and distribution of the product and finally the consumer's choice, all of which leads to killing the initiative, the innovative power and the motivating force of our people which made this country the greatest in history."

That is quite an indictment, but no one familiar with the course a power-hungry bureaucracy always takes will deny it. Beyond that, laws now on the books, such as the Food, Drug and Cosmetic Act, provide severe penalties for misleading labeling and other devices for deceiving the consumer. Properly enforced, they can do whatever may be required — without imposing destructive and needless controls that would inflate costs and reduce competition.

The group was significant as it represented 150 years of service with Standard Oil, three having had the agency within the family for fifty odd years. In each case the father had passed the position to the son. The three were Earl McElheron of East Tawas, LaVern Williams of Roscommon and Ernie Hoelsi of Grayling. Others included former agents Harry Thorpe of West Branch, Edward Doser of Gladwin, Personnel manager Ben Franklin of Birmingham, Dist. Mgr. J. R. Anderson of Traverse City and Sales Rep. Local Woman's Sister Succumbs At Denver

Mrs. Nancy Roberts McKinney, 85, a western Nebraska pioneer resident, died Friday, June 4, 1965 at a Denver hospital. She was born Feb. 22, 1880 at Nelson, Neb. The family moved to Kiowa Valley in Scotts Bluff County in 1888 and in 1892 to the Collins Post Office near the present town of Morrill.

She attended schools in Gering and then took a business course at a business college at Chillicothe, Missouri.

In 1908 she homesteaded 22 miles north of Mitchell. In 1912 she was married to James S. McKinney.

She was a member of the Oregon Trail Half-Century Club and was a past vice-president of the Oregon Trail Association and attended the celebration last year. She was a member of the First Christian Church of Scottsbluff which she had helped to organize. She was also a member of the American Legion Auxiliary of Mitchell.

Survivors include a daughter, Mrs. Sally Mers of Denver, a granddaughter, Mrs. Sara Jean Hacker and two great grandsons of Denver with whom she resided; a sister, Mrs. Ella Funk of Grayling, and other relatives.

She was preceded in death by her husband, three brothers and one sister.

Funeral services were held at 2 p.m. Tuesday, June 8th at Jones Mortuary in Mitchell with the Rev. Carlyle Smith officiating. Burial was in Mitchell Cemetery.

Legion Auxiliary News

The Legion Auxiliary Unit 108 was called to order by President Mary Jorgenson on June 22 with 5 officers and 2 members present. The President gave the obligation to three new members, Joan Thompson and Jeanette Dodge of Grayling, and Carrie Anderson of Higgins Lake. Mrs. Anna Sampson was a visitor from the Berry Hill Unit 165 of Midland.

Committee reports were given, then Beryl Moore expressed thanks to all those who helped to make the chest x-ray and blood program possible.

President Jorgenson has called a special meeting for June 22 to hold an election of officers, as there were not enough members present at the June 8 meeting. So please, next time don't let us girls down who turned out!

After a prayer for peace, the meeting was adjourned until the next regular meeting on July 13th.

Publicity, Lois King

White silk taffeta enriched with head trim fashioned the bridal gown worn by the former Miss Jacqueline Alice Jarvis, when she became the bride of Thomas Har-old Duncan in 7 p.m. ceremonies Saturday, May 22nd at the First Methodist Church of Watervliet.

The Rev. Marcel B. Elliott officiated at the ceremony.

The bride's parents are Mr. and Mrs. Robert I. Jarvis, Sr., of Wat-ervliet. The Harold Duncans of rural Grayling are the parents of the bridegroom.

The bridal gown was designed with fitted bodice, scoop neckline, bridal sleeves, bell-shaped skirt and chapel train. A flower headpiece of lace and seed pearls held the bride's elbow length veil of silk illusion. White feathered carna-tions, yellow sweetheart roses and lily of the valley were combined in the nosegays which she carried.

Carrying nosegays of white feathered carnations tipped in yellow were the matron of honor and two bridesmaids. Mrs. Robert E. Flaherty, sister of the bride, wore a floor-length gown of white fash-ioned with fitted bodice and A-line skirt. Venice lace encircled the waist with yellow satin bows and streamers as accents. Her head-piece was a flowerlet holding a four-tiered bouffant veil.

Similarly attired were the brides-maids, Miss Carmen Duncan of Grayling and Miss Jolene Jarvis of Watervliet.

Becky Steele and the bride's ne-pew, Robbie Rinks, served as flower girl and ringbearer.

Performing best man duties was Charles Duncan of Saginaw. Guests were seated by the bride's ne-phews, Robert and Richard Jarvis of Watervliet and by Glenn and Bill Duncan of Saginaw, nephews of the groom.

A reception for 250 guests was held Saturday evening in Water-vliet. Mr. and Mrs. Jarvis and Mrs. Harold Duncan entertained with an open house for the newly-weds at Dunk's Inn on June 5th.

Mr. and Mrs. Duncan are making their home in Coloma. Mrs. Dun-can is a 1964 graduate of Water-vliet High School; Mr. Duncan graduated from Grayling High School in 1963.

Bishop Emrich Here For Confirmation, Folk Song Mass

The Rt. Rev. Richard S. Emrich, Episcopal Bishop of Michigan will be at St. Francis' Episcopal Church on Monday evening, June 21st, at 8 p.m. to confirm this year's class of candidates. The newly confirmed members will then make their first communion in a celebration of the Holy Communion which will use the music of the American Folk Song Mass. The Folk Song Mass is a modern musical setting, accompanied by guitar, for the Episcopal liturgy which seeks to express the traditional service in terms which are up to date and readily understandable. This musical setting was written by the Rev. Ian D. Mitchell of Chicago.

BISHOP EMRICH is widely known as one of the Episcopal Church's most distinguished bishops for his writing and leadership both at the Diocesan and National church levels. Born in Turkey of missionary parents he has been a pastor, scholar, and professor before becoming a bishop nineteen years ago.

St. Francis' invites everyone to attend this important event in the life of our church wherein the ancient rites from Biblical times are expressed in the sight and sound of 1965.
